

Mersey Community Care provides services for the care of frail, older persons, younger people with disabilities and their carers to live an independent life in their own home, providing opportunities to participate in community life.

We are currently seeking new volunteers. Would you like to enhance the lives of others and make a difference in the community? Can you spare 4 hours per month? We will provide you with the support and training you will need to become part of the dynamic team of volunteers.

Volunteering with Mersey Community Care Association is a rewarding experience. You have many options including: driving our community cars, assisting on our social bus trips, working with our home maintenance team, helping out in our workshop, or supporting clients who use our Social Support service, this can include taking clients shopping or visiting clients to provide companionship.

On the Friday, 31st March, 2017, MCCA will be conducting a volunteer, **"Bring a Friend Day"**, at our premises at 167 Steele Street, Devonport, from 10.00am to 2.00pm and hoping that people from the wider community will also attend. Information about the services is available and staff and volunteers will be on hand to answer questions. A free BBQ and refreshments will be provided and opportunities to have a look through the building and workshop.

For more information or to book an interview contact Zara on 64248883.
