

SEEKING VOLUNTEER COMMITTEE MEMBERS

Date: Open – 1 November 2018
Unpaid / Volunteer

About the Role

Pink Up Your Town and help shine a light on individuals and families experiencing breast cancer in your local area.

The McGrath Foundation is currently seeking volunteer committee members to plan an exciting array of fundraising events and activities throughout October 2018 (Breast Cancer Awareness Month) that bring their entire community together.

Each Pink Up Your Town Committee needs passionate community members to lend their skills. Participants will receive the opportunity to make new friends and professional connections whilst making a huge impact in their own backyard.

All Pink Up Your Town activities and events will be unique to the city/town that is pinking up – people from all walks of life and professional backgrounds can apply!

Roles and Responsibilities will vary.

Call 02 8962 6100 or email pinkupyourtown@mcgrathfoundation.com.au now and find out more about how you can Pink Up Your Town!

Desired Skills

No formal qualifications are required.

Perfect for event planners, writers, business owners, number crunchers, networkers, sales people, communicators, creatives and those looking to make a difference in their community.

Commitments

All Pink Up Your Town Committee members commit to regularly scheduled face to face planning meetings, as agreed by the committee members. The McGrath Foundation will provide regular communication to committee members to assist them in their efforts. Email correspondence and weekend activity may apply.

About the McGrath Foundation:

Every breast cancer experience is different. That's why the McGrath Foundation aims to make life that little bit easier for individuals and families experiencing breast cancer. We raise money to place specialist McGrath Breast Care Nurses wherever they're needed, and make breast health understanding a priority. Since 2005, more than 60,000 families have been supported by 119 McGrath Breast Care Nurses in communities across Australia.
