**MyTime** is a National program of Facilitated groups, that enables parents and carers to talk & catch up with others, in a relaxed atmosphere. We understand the demands and rewards of caring for a child with a disability or chronic medical condition.

**NDIS Peer Support Network Program** will focus on the NDIS rollout in Tasmania, what can be done to prepare for the planning meeting including a look at the NDIS Work book. If you are caring for a child, who may be eligible for the NDIS, you are welcome to join us.
